10% OFF Synthetic Oil Change

Do you get sunscreen on when you
are out in the sun this summer?

Just like that protects you from
harmful sun rays, synthetic oil
protects your car's engine from
harmful temperatures which can
reach 400 degrees on a hot summer
day - So come in for the Special
Synthetic Oil Change!

Hard braking can
wear your brake pads
requiring more
energy to stop which in
turn requires more gas!

Have your brakes checked today
and improve your gas mileage.
